ASONIC LECTURER COMING.

Arrangements have been completed by the local lodge of Masons for delivery here on Monday, March 4th, of a series of lectures by representatives of the Masonic Service Educational Association. This association is designed to spread among Masons and the general public a better understanding of the principles and purposes of Masonry. Lectures are illustrated with scenic scenes, and are said by those who have seen them to be most entertaining and instructive. At four o'clock P. M. Monday, the first lecture will be given at the Auditorium. This will be an illustrated lecture and will be open to all, both Masons and non-Masons. The public is invited to attend this lecture.

At 8:00 o'clock of the same day there will be a lecture for Masons at the lodge hall. All members of the lodge and visiting brethren are urged to attend. The lectures will be delivered by Walter Keith, Executive Secretary of the Masonic Service and Educational Association, and comes under the auspices of the Grand Lodge of Texas.

Keep the date and hours in mind and make your arrangements to attend.

LADIES' FORTY-TWO CLUB.

The birthday of George Washington provided a motif for the hospital-Thursday afternoon when Mrs. J. M. Starnes, Mrs. Roy Stone and L. J. Brucks were hostesses to members of the Ladies' Forty-two Club. Patriotic colors and emblems associated with the season made the day a gay affair. The tallies in white and blue, bearing the names of the hostesses, were adorned with small hatchets. And the tables with their centre decorations miniature cherry-trees, plate favors tiny red hatchets bearing the inscription "I cannot tell a lie," napkins in cherry design, ice-cream topped with cherries, and other emblems the season completed the patriotic theme.

Thirteen games of "42" were played. Mrs. George Heyen winning high score.

A new name, that of Mrs. Oscar Schuele, was added to the club's list of members.

Those present were Mesdames R. Speece, Geo. Heyen, W. H. Smith, Earl Schuele, F. H. Schweers, Roy Stone, Earl Starnes, C. J. Schuele, Jungman, R. J. Noonan, H. J. Meyer, M. H. Muennink, O. H. Miller, E. Heath, Chas. Finger, Fletcher, Frank Cockrell, Robert Ben-son, L. J. Brucks, Horace Bradley, Earl Boon and Felix Batot.

The hostesses for the next meeting will be Mrs. Horace Bradley, Mrs. Felix Batot and Mrs. Earl Boon.

MISS REILY ENTERTAINS.

Honoring her week-end guests, Miss Josie Rothe of D'Hanis and Miss Reilly of Sabinal, Miss Gertrude Reilly entertained with a Bridge party Saturday evening, February 23, 1924. AUGUST MARTIN DEAD.

August Martin, aged some 60-odd years, died Thursday, February 21st. As we went to Press Friday afternoon preparations were under way for the funeral at the new cemetery in Hondo.

Mr. Martin went out in his pasture alone Thursday morning to cut posts. He did not return for dinner, and a search for him was made. He was found late in the afternoon dead. He had cut two posts, and had evidently been dead several hours when found. After an examination of the body it was the opinion of the physician that death was due to heart failure.

A more extended mention will appear in our next issue.

DIED

Mrs. R. M. Jones, aged about 64 years, eldest daughter of the late Mrs. J. M. Butts, died at her home on the old Butts ranch, a few miles southwest of Hondo, the early part of the week. Her remains were buried in the family graveyard Thursday afternoon at 3:00 o'clock. Rev. W. C. Brown, pastor of the Hondo Baptist church, conducted the funeral services.

The deceased is survived by her husband, two sons and several brothers and sisters.

The Anvil Herald joins in sympathy for the bereaved husband and other sorrowing relatives.

THE HUNCHBACK OF NOTRE DAME.

The much talked of Universal production "The Hunchback of Notre Dame", is scheduled to be presented at the Rialto Theatre, San Antonio, Texas commencing February twenty-third.

The officials of the Universal Company defend their action in making changes in the immortal masterpiece on the grounds that pictures are made for the masses and that it would not be good business or good ethics to offer offense to any particular religious denomination. Particularly when such offense could be avoided by a few minor changes and deletions.

A careful reading of the opinions of the New York critics divulges the fact that the changes were unanimously endorsed. It is of interest to note that this is the first time that critics have approved changes in a masterpiece. The consensus of their opinions seems to be that by deleting some of the gruesome-ness and switching the importance of some of the characters, that the ending has been made much more acceptable to the theatre-goers.

If the sources of information are correct, the Universal Company has reached its zenith with this production. Certainly no picture ever filmed had the elements of success so much in its favor. The producer had the story, a story filled with the dramatic action that only Hugo could command; he had the greatest of all character performers, Lon Chaney, to handle the very complex role of "Quasimodo"; he had a capable director in Wallace Worsley; he had unlimited funds, and studio facilities that were not to be excelled any place in the world. The fact that the total cost was just a trifle under a million and a half dollars gives some impression of the magnitude of the production.

Included in the noted cast of the production are found such public favorites as; Norman Kerry, Patsy Ruth Miller, Tully Marshall, Raymond Hatton, Gladys Brockwell and seventy other featured principals, as well as 3500 extras. The Cathedral of Notre Dame was rebuilt in its entirety for the production as well as eight blocks of Paris streets and houses of the period of Louis XI.

Severe Pains in Side

"I HAD had quite a bad spell and sickness," writes Mrs. Emma Patrick, of Caney, Ky., "and it was an effort for me to go about my home. I had a very severe pain in my left side that almost took my breath at times. I lost my appetite. I grew thin, pale and lifeless. I fell off till I only weighed about 115 pounds. "Cardui was recommended to me and by the time I had taken one bottle I saw it was what I needed. I ate more and rested better. I kept taking it and my skin and flesh took on a more healthy color. I felt stronger and, as the nervousness left me, the pain in my side was less severe. After taking nine bottles, I eat anything, go anywhere and feel fine. I weigh 160 pounds and am well. I feel that I owe it all to having used Cardui." Pain, in certain parts of the body, is a sure indication of female complications. The treatment needed is not the use of narcotic drugs, but—

CHIEF SUPERVISOR'S REPORT

Austin, Texas.
February 18, 1924.
Supt. J. D. Howell,
Hondo, Texas.
My dear Mr. Howell:—
I take pleasure in enclosing the official report of the supervisor who recently visited your high school. A copy of this report is also sent to the president of the school board for his information. As this report is official, it should be filed for future reference.

The Department of Education is very anxious to render real, constructive service to the high schools, and any requests or suggestions from the teachers or school officials will receive very careful consideration.

Thanking you for your cooperation in the improvement of the schools of the state, I am
Very truly yours,
A. W. EVANS,

Chief Supervisor of High Schools.

STATE DEPARTMENT OF EDUCATION
High School Division
AUSTIN, TEXAS.

REPORT OF SCHOOL SUPERVISOR ON HONDO HIGH SCHOOL.

January 30, 1924.
Supervisor A. W. Evans.

Superintendent J. D. Howell.
Pres. of Board O. E. Lacy.

The work of classifying and accrediting the public schools of Texas is under the direction of the State Committee composed of six members chosen by the public schools and six by the colleges. This committee determines the conditions upon which the high schools are classified and accredited for the purpose of establishing educational standards, encouraging schools to attain these standards, and certifying those that have attained them so as to facilitate the transfer of students to any other school or college.

The regulations as prescribed by this Committee are administered by the State Department of Education through high school supervisors. In the visits of the supervisors and in their reports to state authorities, recommendations are offered in the spirit of cooperation and helpful suggestion, with the earnest desire that all school authorities will join with the State Department of Education in their efforts to maintain the necessary standards of secondary education in Texas.

In order that the schools may be properly certified it is essential that the minimum requirements as outlined in Bulletin 169 be met. To that end, the supervisor who recently visited your school makes the following recommendations:

The Hondo High School is enjoying a prosperous year. The tax increase of 25 cents enabled the school authorities to make needed repairs and add to the equipment to the extent of over \$1,800.

Sane organization, good equipment and efficient teachers are characteristics of the school.

Material should be submitted for accrediting economics, one-half unit.

CASTROVILLE HIGH SCHOOL NOTES.

The month of February was spent mostly in recovering from mid-term examinations. Work, however, was started in track and literary events preparatory to entering in the County Meet on March 28th and 29th. The boys and girls are all anxious to go and win a name for themselves and their school. All they need is a little backing, so get behind them, town people, boost them along. Don't be a knocker, but a helper! Give the students their chance to show what is in them.

On the evening of February 14th, the student body had a valentine box and everybody was well supplied.

On Friday, February 2nd, the Sidney Lanier Literary Society met and the following officers were elected for February:

President—Miss Brucks.
Vice-President—
Secretary-Treasurer—Leonard Marty.

Sargent-at-Arms—Ralph Montel.

Those who won in writing the history of Castroville to go in the bulletin of the Schools of the County were Laura Kralik and Ralph Tschirhart.

On Wednesday, February 20th, the Athletic Association held a meeting for the purpose of electing a Captain and Manager of the track team. The following were elected:
Captain—Ralph Tschirhart.
Manager—Harley Murphy.

On the night of February 20th, a musical sketch "A Night in Ole Virginia" was given for the benefit of the school and a goodly sum was realized.

THE BUSINESS MAN AND THE FARMER

More and more in every way, and in all sections of the country, the wide-awake business man is beginning to realize the importance of getting in and keeping in touch with the farmer. And why should he not?

There is a pleasing and satisfactory mutuality of interests between the two vocations, which, when properly brought together, makes for a pleasant relationship, profitable to everyone. And isn't it a fact that whenever you see a deal or trade in which both parties are pleased and satisfied, there isn't anything left to worry about?

It is, unfortunately, a fact that there is occasionally found a business man who seems to construe the Golden Rule like this: "DO THE OTHER FELLOW BEFORE HE DOES YOU". Did you ever stick around long enough to see the finish of this sort of a bird? You can bet your bottom dollar there is but one finish for him and when it comes he won't need anyone to tell him about it. Thank goodness, we have no business men of this brand in Hondo. YOU KNOW THAT, YOU MEDINA COUNTY FOLKS, so never have a doubt in your minds that when you park in Hondo to do your trading, you will get value received for every dollar you spend and be treated fairly and squarely in every way.

It is very true that "It takes all sorts of people to make a world". You will find all sorts of characters, good, bad and indifferent, in every community, and they represent all sorts of trades, professions and busi-

nesses. Have you ever given any thought as to how near to the 100 per cent mark the farmer usually stands as a good citizen?

The fact is that there is but a mighty small per centage of farmers who are not law-abiding citizens and good neighbors. The average farmer believes in attending to his own business and, like the busy and contented honey bee he will not sting you if you attend to yours. And did you ever stop long enough to consider that this same farmer is a very necessary and much needed addition to every community? He is, with Nature's help, the REAL CREATOR OF WEALTH. Our business men, and others, help to conserve that wealth, but the farmer creates it.

You see him away from his fields of corn, wheat, oats and hay and his well kept orchards; possibly you meet him here in town on a Saturday afternoon, all dolled up in his overalls and a week old crop of whiskers, and amidst the hum and bustle of business life, he doesn't seem to cut much figure, but without this same farmer, WHAT SORT OF A FIX WOULD YOU BE IN? He is responsible, year after year, for millions of acres of corn, wheat, oats, hay, etc., to say nothing of the enormous quantities of fruit, potatoes, vegetables and other produce. What he produces in the fields is directly responsible for the beef, pork, mutton, poultry and eggs which largely make up the food we rely upon for our daily sustenance.

So, no matter how he looks, TAKE OFF YOUR HAT TO THE FARMER and give him a square deal today

and every day. Give him fair, square treatment and right goods at right prices. If he has a tendency to be a "catalogue buyer explain to him what 'seconds' are and show him that he is always taking chances of getting the worst of it when he buys from pictures or printed descriptions instead of seeing and examining what he buys.

GET TOGETHER you merchants and you farmer folks. It will do you both good. Wonders can be accomplished by means of friendly co-operation, but when its "EVERY FELLOW FOR HIMSELF AND THE DEVIL TAKE THE HIND-MOST", all is confusion, misunderstanding, ill-feeling and loss. GET TOGETHER. This makes for a wider acquaintance and brings about a sense of friendly good-fellowship, by reason of which, great good is accomplished. By this means we are better able to understand each other and thus establish closer relations and confidence.

Unity and concerted action on the part of a community, works, wonders. Get together and work together on such vital matters as good roads and general community progress. There never was a community that had too many miles of good roads for this is the connecting link between farm and market, the link that bridges many a difficulty, and to be a prosperous community, these days, YOU MUST HAVE GOOD ROADS.

PIONEER CITIZEN DIED TUESDAY, SAN ANTONIO.

D. S. Roberson, 69, native of Tennessee, for half a century a citizen of this community, died at the Jackson hospital in San Antonio, Tuesday noon. Mr. Roberson had visited San Antonio and was at the bus station Sunday afternoon, when he was suddenly stricken with paralysis; was taken to the home of his daughter, Mrs. Caruthers, and later to the hospital where his daughter, Beulah, was in training, and where he died Tuesday noon. He gained consciousness after being taken to the hospital but knew little of what was passing after this. Mr. Roberson was formerly a Texas ranger, for many years constable of the Devine precinct, deputy sheriff, etc., and for twelve years J. P. of Devine, his health two years ago preventing him running. He was apparently well of his old troubles and had announced again for the J. P. office. His son, Don, was accidentally killed two weeks to a day before the father's

death; and his daughter thinks his constant worry and restlessness, after the accident, contributed to his death. He was a Mason, a Praetorian and a member of the Methodist church. He leaves one brother, P. W. Roberson, of Devine, three sisters, Mrs. Mattie Hickey of Devine, Mrs. John Long of El Paso and Mrs. W. L. King of San Antonio. Two sons, Alva and Gordon and five daughters, Mrs. Eunice Caruthers and Mrs. Edith Gentry of San Antonio and Misses Beulah, Celeste and Sabrie Roberson. The body is to arrive on the noon train, Wednesday, (as we go to press) and the funeral will be under the auspices of the local Masonic lodge, his pastor, Rev. Jno. M. Lynn, conducting.—The Devine News.
